MESSAGE FOLLOWS

Chuck,

Please find attached the economy agreement for the project Nicotine in hair as a marker for EIS exposure and invoice No 45047 on NOK 722.500.- from Odd Nilsen. Odd wants this invoice to be paid as soon as possible to avoid a price rise on GC-M5 on April 25.

Please advise if there are any problems.

Best regards,

*Birgitta*
